

## **Cash-Value Benefits**

- I. The WIC Cash-Value Benefit is valid from the first date to use through the last date of use.
- II. Only fresh, frozen, or canned fruits and vegetables may be purchased with the cash-value benefit. The cash-value benefit may be redeemed up to the maximum issuance allowed on the e-WIC card.
- III. The WIC customer is permitted to pay any difference above the maximum cash-value benefit amount (split tender). Do not give cash back to the WIC customer if the difference is less than the maximum cash-value amount.
