

## Funding Formula

- I. The funding formula is created and/or modified by the WIC Funding Committee ~~every summer~~ annually.
- II. It is the goal of the committee to successfully develop a funding formula that may be used across multiple fiscal years.~~to use over again every year~~. However, depending upon the political and financial circumstances, the formula used to fund WIC can change from year to year.
- III. The formula is agreed upon by the WIC Funding Committee annually every summer and used throughout the year. ~~It is looked at again the following summer~~.
