

### Proof of Identity

- I. All applicants, transfers, parents, guardians and proxies must provide proof of identity (ID).
  - a. Proof of identity is required ~~at for~~ each applicant at certification ~~visit prior to receiving WIC benefits~~ appointments.
  - ~~a-b.~~ Parents/Guardians must provide acceptable ID when an eWIC card is issued to the family
  - ~~b-c.~~ Applicants should be informed what proofs of identity are acceptable when certification appointments are scheduled.
  - ~~e-d.~~ All parents, legal guardians, foster parents, caretakers and proxies must show proof of identity at certification and before benefits are issued.
- II. The e-WIC card, together with entry of a valid PIN, may be used as proof of identity at subsequent certifications and issuance of benefits. Local agencies are encouraged to check ID for proxies.
- III. Type of proof of ID provided must be documented in the computer system.
  - a. Documentation does not need to be copied or scanned and should be returned to the applicant.
- IV. Generally, participant names should be input into VISION as they are listed on the form of identification presented. This aids in preventing and detecting dual participation. The name that the participant prefers to be called may be entered as the name in VISION only if the full legal name as listed on the form of ID presented has been added as an alias name in the Member/Proxy screen.
  - a. Compound last names or paternal-maternal names should be input into the computer if they are listed on the form of ID. A space or hyphen between names should be included when such is found on the form of ID.
  - b. When a new or preferred name is entered into VISION, the prior name should be added as an alias by clicking the Add To Aliases button in the Member/Proxy screen. This is done in situations such as a name change due to:
    - i. Marriage,

Formatted: Indent: Left: 1", No bullets or numbering

- ii. Divorce,
  - iii. Adoption,
  - iv. For infants, if the infant's correct full name is not listed on the infant form of ID,
  - v. Or, if the participant prefers to be known by another name.
  - vi. Optionally, middle names can be entered even if not shown on the form of ID; however, VISION does not consider middle names when searching for potential duals.
- c. When verifying identity at subsequent appointments, if the name on the form of ID provided does not match the current name in VISION, staff must check the Aliases screen to confirm the name on the ID is listed.
- V. Acceptable proof of identity. For certifications, all applicants, transfers, parents, guardians and proxies must provide acceptable proof of identification. Proof of identity must not be expired ([picture identification may be accepted up to one year beyond expiration](#)). Medicaid cards being used as proof of ID are considered expired if the applicant is not currently eligible for Medicaid. Pictures and scans of proof documents ~~may-should~~ be allowed unless there is evidence or reasonable suspicion of tampering.
- VI. Acceptable forms of ID are listed below:
- a. Driver license
    - i. domestic or international
      - 1. includes the driving privilege card

- VII. Applicants who are unable to provide an acceptable proof of identity from the list above may provide a letter from a governmental, medical, school or business entity (third party) verifying identity. Acceptance of this type of letter, other alternate forms of ID, ~~photos of a driver license/ID card,~~ or any other exceptions require State agency approval on a case-by-case basis. Contact the State WIC Operations Manager or a designee in his absence.
- VIII. Personal recognition by clinic staff is not sufficient.
- IX. Subsequent Certifications. The e-WIC card can be accepted as proof of ID except as noted below:
- a. Initial certifications in the child category: Children certifying for the first time as a child must bring acceptable proof of identity. This cannot be forms of ID accepted for infants only.
  - b. If an acceptable form of identification (with the exception of infant only ID listed above) was provided and documented in the information system at the initial infant certification, the eWIC card is acceptable as proof of identification at the child certification.
- X. Transfers (out of state). Any acceptable proof of identification as in initial certification is required.

- a. VOC does not prove identity.
  - b. Out of state Medicaid cards can be accepted from out of state transfer clients with a VOC.
- XI. Transfers (in state). Because in state transfers are handled within the VISION system, only the parent/guardian is required to show an acceptable form of ID at the new clinic. The e-WIC card can be used as proof of identity.
- XII. Before replacement eWIC cards are issued, and when forgotten PINs are reset, the parent/guardian or proxy must show an acceptable form of identification. The parent/guardian/proxy name should already be listed in VISION and should match the form of ID presented.
