- IV. The public must be provided an opportunity to comment on the development of the State Plan.
 - a. The State agency will post the following year's State Plan including proposed P&P changes on the Utah WIC website for a public comment period of 30 days. The proposed P&P will also be posted on the Utah WIC SharePoint site for staff access.
 - b. The date that the 30 day comment period will begin will be based upon USDA timelines and may be modified (extended or reduced in length) to meet USDA/FNS deadlines.
