Instructions to Complete Utah WIC Formula and Food Authorization Form Children at 12 Months of Age or Older and Women

Step A: Complete patient information.

Step B: Indicate all medical diagnoses that apply to patient. If diagnosis is not listed, please write in the ICD 10 Medical Diagnosis that applies.

Step C: Formula/Product

- List name and brand of formula required.
Authorization should be based on medical need and not patient preference.
- Specify if the requested formula is powder, concentrated liquid, or ready to feed.
- Indicate quantity of authorized food or formula needed per day. Please give specific amount needed -no ranges can be accepted.
NOTE: Breastfeeding mothers may request less.

Step D: Please indicate if WIC supplemental foods are allowed or if there are any restrictions. Full provision of WIC food packages are listed below.

Step E: WIC can only give clients ≥ 2 years of age whole milk if they are receiving a medical specialty formula and require additional calories.

Step F: Specify the length of time this formula and food authorization will be valid.

Step G: Health Care Provider Information must be signed by a Utah state licensed prescriptive authority.
